Consolidated Feedback Report from Stakeholders on curriculum

Sl. No.	Stakeholder	Feedback
1	Student	<p>All the undergraduate and post graduate students gave their feedback on curriculum.</p> <p>Majority of the students strongly agreed that the interaction by teachers with students is more feasible and reliable.</p> <p>Need special classes to prepare for final exams.</p> <p>Create more opportunities for opting advanced procedures in dentistry.</p> <p>Enhance the case study based teaching in class and practical orientation in project work.</p> <p>Revision classes should be done after the completion of academic course.</p> <p>Discussion on unit test should be conducted for all the years.</p> <p>Regarding the adjustment of attendance of students taking part in cultural activities.</p> <p>Open book tests to be conducted.</p>
2	Faculty	<p>The faculty members get representations in Academic Council, where the staff members are getting ample opportunities to give feedback, on both curriculum and teaching learning process.</p> <p>Training programs should be conducted for the students in emerging areas.</p> <p>Up gradation of advanced techniques into curriculum. E poster presentation at the end of clinical postings.</p> <p>Staff members can be allowed to attend advanced CDE programs in premier institutions.</p>

		<p>Dedicated teams can be developed for the participation in national level conferences.</p> <p>Consideration of request from faculty regarding changes in time table.</p> <p>More emphasis on clinical research to be made.</p> <p>Evaluation of students is difficult on online portals.</p> <p>More dental camps to be organized to increase communication skills of students.</p> <p>Hands on courses, workshops to be included in dental curriculum.</p> <p>Research articles to e invited from faculty members</p>
3	Alumni	<p>Training programs are needed in advanced operative procedures in dentistry.</p> <p>Need more value added courses.</p> <p>More emphasis on clinical research to be made.</p> <p>Facial aesthetics should be included in dental curriculum Mini projects have to be included inthe curriculum,</p> <p>Frequent alumni interactions can bearranged.</p> <p>MCQ tests should be conducted to prepare students for entrance tests.</p> <p>Academic interactive sessions with students from other colleges</p>

 Principal
 Baba Jaswant Singh Dental College
 Hospital & Research Institute, Ludhiana.

4	Employer	<p>Follow all DCI regulations and modifications of existing rules and practices.</p> <p>Standard Covid 19 protocol to be followed.</p> <p>Emphasis on dental ethics, values and professionalism is to be considered for all round development.</p>
5	Professionals	<p>Didactic curricular activities like standardized patients sessions, paper and poster presentations, presentations by guest speakers should be incorporated.</p> <p>Emphasis should be placed on Group based social dental projects in addition to the present curriculum framework.</p> <p>Curriculum should be well distributed. Latest procedures and advanced techniques must be taught wherever applicable.</p> <p>Student doubts to be addressed after unit test.</p> <p>Strict implementation of covid 19 guidelines.</p> <p>Written assignments, projects and models to be submitted on regular basis.</p> <p>Preference should be given to clinical skills along with theoretical knowledge.</p> <p>Incorporate ethical challenges and patient counseling in the clinical postings.</p> <p>Workshops should be conducted on regular basis.</p>
