TERMS AND CONDITIONS

GENERAL CONDITIONS

This authorization is issued for 10 number of beds. For any increase in number of beds, the applicant shall obtain prior permission of the Board.

The Medical Institution / Health Care Facility shall apply for the renewal of authorization at least 2 months before the expiry of this authorization.

The Medical Institution / Health Care Facility shall comply with the provisions of the Environment (Protection) Act, 1986 as amended from time to time and the rules made there under.

The authorization and all relevant records shall be produced for inspection on the request of an officer of prescribed authority.

The HCF shall take all necessary steps to ensure that bio-medical waste is handled without any adverse effect to human health and the environment and in accordance with these rules;

The HCF shall make a provision within the premises for a safe, ventilated and secured location for storage of segregated biomedical waste in colored bags or containers in the manner as specified in Schedule I, to ensure that there shall be no secondary handling, pilferage of recyclables or inadvertent scattering or spillage by animals and the bio-medical waste from such place or premises shall be directly transported in the manner as prescribed in these rules to the common bio-medical waste treatment facility or for the appropriate treatment and disposal, as the case may be, in the manner as prescribed in Schedule I.

The HCF shall pre-treat the laboratory waste, microbiological waste, blood samples and blood bags through autoclaving/microwaving and then sent to the common bio-medical waste treatment facility for final disposal. The HCF shall maintain a logbook of operation of Autoclave.

The HCF shall phase out use of chlorinated plastic bags, gloves and blood bags as mentioned in the Rules;

Incase the HCF purchase color coded bag from open market, it shall get the testing certificate from CIPET Lab, Amritsar regarding absence of chlorinated material in it. However, if it is procured from CBWTF operator, the HCF shall obtain the test certificate from CBWTF operator.

The HCF shall dispose of general waste other than bio-medical waste in green bin.

The HCF shall not dispose bio-medical waste with municipal solid waste;

The HCF shall provide training to all its health care workers and others, involved in handling of bio medical waste at the time of induction, and thereafter at least once every year and the details of training programmes conducted, number of personnel trained and number of personnel not undergone any training shall be provided in the Annual Report;

The HCF shall immunise all its health care workers and others, involved in handling of bio-medical waste for protection against diseases including Hepatitis B and Tetanus that are likely to be transmitted by handling of bio-medical waste, in the manner as prescribed in the National Immunisation Policy or the guidelines of the Ministry of Health and Family Welfare issued from time to time;

The HCF shall ensure occupational safety of all its health care workers and others involved in handling of biomedical waste by providing appropriate and adequate personal protective equipments;

The HCF shall conduct health check up at the time of induction and at least once in a year for all its health care workers and others involved in handling of bio- medical waste and maintain the records for the same;

The HCF shall ensure segregation of liquid chemical waste at source and ensure pre-treatment or neutralisation prior to mixing with other effluent generated from health care facilities;

The HCF shall ensure treatment and disposal of liquid waste in accordance with the Water (Prevention and Control of Pollution) Act, 1974 (6 of 1974).

The HCF shall obtain consents under the provisions of Water (Prevention & Control of Pollution) Act, 1974 and Air (Prevention & Control of Pollution) Act, 1981.

The HCF shall maintain and update on day to day basis the bio-medical waste management register and display the monthly record on its website according to the bio-medical waste generated in terms of category and colour coding as specified in Schedule I. All the record shall be subject to inspection and verification by the Prescribed Authority /authorized person at any time. The record shall be maintained for a period of 5 years.

The HCF shall report major accidents including accidents caused by fire hazards, blasts during handling of biomedical waste and the remedial action taken and the records relevant thereto, (including nil report) in Form I to the prescribed authority within 24 hours and also along with the annual report;

The HCF shall submit Annual Report in Form-IV as per Rule 13 by 30th June every year to the Board. The HCF shall make available the annual report on its web-site and all the health care facilities shall make own website within two years w.e.f 28.03.2016.

The HCF shall ensure that Untreated human anatomical waste, animal anatomical waste, soiled waste and, biotechnology waste shall not be stored beyond a period of forty-eight hours: Provided that in case for any reason it becomes necessary to store such waste beyond such a period, the occupier shall take appropriate measures to ensure that the waste does not adversely affect human health and the environment and inform the prescribed authority along with the reasons for doing so.

The HCF shall inform the prescribed authority immediately in case the operator of a facility does not collect the bio-medical waste within the intended time or as per the agreed time;

The HCF shall establish a system to review and monitor the activities related to bio-medical waste management, either through an existing committee or by forming a new committee and the Committee shall meet once in every six months and the record of the minutes of the meetings of this committee shall be submitted along with the annual report to the prescribed authority and the healthcare establishments having less than thirty beds shall designate a qualified person to review and monitor the activities relating to bio-medical waste management within that establishment and submit the annual report;

25. The occupier of the HCF shall maintain proper housekeeping in the premises where the bio-medical wastes are handled.

26. The HCF is required to set up system/equipments for requisite segregation, collection, storage and pre-treatment of bio-medical waste in conformance to the provisions of Bio-Medical Waste (Management) Rules, 2016.

27. The Containers/ Bags used for segregation and disposal of waste shall be labeled in accordance with schedule- IV (Part-A).

28. The HCF shall segregate the bio-medical waste collected in the container bags at the point of generation in accordance with Schedule-I prior to storage, transportation, treatment and disposal.

29. The HCF shall hand-over segregated waste as per Schedule-I to common bio-medical waste treatment facility for treatment, processing and final disposal.

30. The HCF shall paste Bar-Code Stickers on respective color coded bags, puncture proof containers and cardboard box before disposal to CBWTF.

31. The HCF shall ensure treatment and disposal of waste in accordance with Schedule I and in compliance with the standards provided in Schedule-II.

32. The HCF shall phase-out use of mercury based instruments. The handling and disposal of all mercury waste and lead waste shall be in accordance with the respective rules and regulations.

33. The occupier of the HCF will be liable for action under section 5 and section 15 of the Environment (Protection) Act, 1986, in case of any violation.

34. The HCF shall comply with the standards and specifications as per Bio-Medical Waste Management Rules, 2016.

35. The HCF shall give its bio-medical waste only to the authorized area common bio-medical waste treatment facility who has valid authorization of the prescribed authority.

36. The HCF will have to make its own arrangement afresh in case the authorization of the common facility to whom it has entered a MOU is revoked, by the Prescribed Authority.

37. The occupier of the HCF shall not change or alter either the quality or the quantity or the rate of discharge of liquid/emission or temperature or the route of discharge without prior written permission from the Board.

38. The occupier of the HCF, its heirs, legal representatives etc., shall have no claim whatsoever to the continuation or renewal of this authorization after the expiry of the authorization.

39. The authorized person shall intimate Board prior to closing down the facility.

40. The HCF shall not rent, sell, transfer or otherwise transport the bio-medical waste without prior permission from the Board.

41. Any unauthorized change in personnel/equipment or working conditions as mentioned in the application by the person authorized shall constitute a breach of this authorization.

42. The Board reserves the right to review, impose additional condition or conditions, revoke, change or alter the terms and conditions of the authorization without any prior notice.

NOW THIS INDENTURE WITNESSETH and it is hereby covenant as follows:

Validity of the Agreement

This agreement shall remain in force for a period of five years w.e.f. 18th day of Feb of the year 2019 to 31st day of MAR of the year 2024 (both days inclusive), and can be further renewed with mutual consent of both the parties.

Responsibilities of the "Medicare"

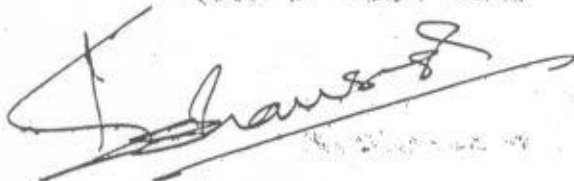

1. "Medicare" shall meet all the rules and regulations as stipulated by the PPCB & BMW Rules 2016
2. "Medicare" shall collect the **segregated** bio-medical waste from the identified common waste collection point within the premises of OCCUPIER on daily basis. "Medicare" shall provide assistance to finalize the pick-up location to the OCCUPIER. The OCCUPIER shall be fully responsible for keeping the BMW under lock and key and protecting it from any sort of mishandling before it is handed over to any authorized person of Medicare.
3. Medicare shall schedule the timings for collecting the waste as per the route of the vehicle and inform the occupier to arrange for lifting of the Bio Medical Waste from common collection point accordingly.
4. "In case "Medicare" fails to collect the BMW within a time frame of 24 hours of the designated time due to any reason, the OCCUPIER shall inform "Medicare", who shall ensure to collect the BMW from the premises of the OCCUPIER with in next 24 hours of intimation.
5. Medicare" shall transport the segregated waste in closed container vehicle to its treatment facility in enclosed bins.
6. On the written request of the OCCUPIER, "Medicare" shall undertake to provide/educate the OCCUPIER and its staff, at no extra cost, the initial training about the segregation / method of collection of BMW in designated color coded plastic bags.
7. "Medicare" shall not be held liable for any kind of the violation made by the OCCUPIER / or its staff under the Environment (Protection) Act 1986 or any similar regulations/norms.
8. "Medicare" shall be responsible for appropriate treatment and shredding of disinfected waste at the centralized facility as per Schedule -1 of the BMW (M&H) Rules 2016 & amendments made there under.
9. "Medicare" shall also undertake testing of treated waste to ensure safety to the environment as per Rules.

10. "Medicare" shall be responsible for the disposal of treated waste into secured landfills or in recycling plants as applicable.
11. Inform the prescribed authority immediately regarding the occupiers which are not handing over the segregated bio-medical waste in accordance with these rules;
12. Provide training for all its workers involved in handling of bio-medical waste at the time of induction and at least once a year thereafter;
13. Assist the occupier in training conducted by them for bio-medical waste management.
14. Undertake appropriate medical examination at the time of induction and at least once in a year and immunize all its workers involved in handling of bio-medical waste for protection against diseases, including Hepatitis B and Tetanus, that are likely to be transmitted while handling bio-medical waste and maintain the records for the same.
15. Ensure occupational safety of all its workers involved in handling of bio-medical waste by providing appropriate and adequate personal protective equipment.
16. Report major accidents including accidents caused by fire hazards, blasts during handling of bio-medical waste and the remedial action taken and the records relevant thereto, (including nil report) in form 1 to the prescribed authority and also along with the annual report.
17. Allow occupier, who are giving waste for treatment to the operator, to see whether the treatment is carried out as per the rules.
18. Supply non-chlorinated plastic coloured bags/compostable BMW garbage bags to the occupier on chargeable basis, if required.
19. To advise the client regarding any gap in the compliance so as to rectify it by HCF subsequently.

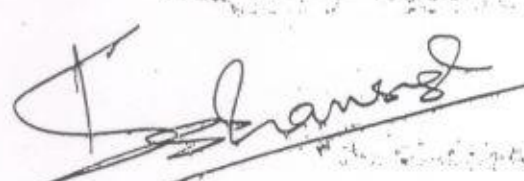

Responsibilities of the Occupier as per the BMW Management Rules -2016

1. The OCCUPIER shall segregate the waste at the point of generation in accordance with the BMW (M&H) Rules 2016 and in compliance with the standards prescribed there under.
2. The OCCUPIER shall collect and hand over the segregated BMW in plastic bags/Card Boards as stipulated by the Punjab Pollution Control Board (PPCB) norms and BMW Handling Rules-2016
3. All consumables like bags, needle cutters, disinfectants etc. shall be procured by the OCCUPIER at its own cost.

4. "In case "Medicare" fails to collect the BMW within a time frame of 24 hours of the designated time due to any reason, the OCCUPIER shall inform "Medicare", who shall ensure to collect the BMW from the premises of the OCCUPIER within next 24 hours of intimation. Further, any issue regarding wt. wrong/ mismatch if any in daily manifest should also be informed to Medicare designated person in writing or through mail within 24 hrs. So as to take necessary steps accordingly. Otherwise it will be treated as correct and verified."
5. All the bags shall be sealed tightly and labeled with barcodes before being lifted to common Bio Medical waste facilities as per the rule by the OCCUPIER and "Medicare" will collect the sealed bags only from a secured designated point within the premises of the OCCUPIER. All related duties on the part of OCCUPIER as prescribed in BMW Rules-2016 shall be complied with.
6. The OCCUPIER shall hand over the sharp waste in Puncture Proof Containers to "Medicare".
7. The OCCUPIER shall establish a common secured waste collection point within its premises for collection and handing over to "Medicare".
8. The OCCUPIER shall designate a "Nodal Officer" to interact with "Medicare".
9. The OCCUPIER shall be solely responsible for the number of beds being declared to "Medicare", which must be same for which the authorization is obtained from Punjab Pollution Control Board. The OCCUPIER shall inform "Medicare" and PPCB within 7 days about any change in the number of beds. Medicare shall not be responsible for any under/over declaration by OCCUPIER on this account.
10. Take all necessary steps to ensure that the bio-medical waste collected from the occupier is transported, handled, stored, treated and disposed of, without any adverse effect to the human health and the environment, in accordance with these rules and guidelines issued by the Central Government or, as the case may be, the central pollution control board from time to time
11. To allow medicare authorized representative to visit hospital/audit the bed strength with a motive to ensure necessary compliance of BMW Rule-2016.
12. To take immediately necessary steps to remove the gaps as indentified during training/visit of medicare authorized representative in right of BMW Rule- 2016.

Terms & Conditions

1. The OCCUPIER shall pay Non-Refundable Membership Registration Fee of Rs. 1000.00.
2. The OCCUPIER shall pay an amount equal to 3 months of service charges as refundable/ adjustable security deposit.
